

BUILDING SHELL TECHNOLOGY

Rotary mixer POX-S

For mixing small volumes with ease

With Collomix at the pool position

- ✦ Handy and portable mixers with a permanently fixed mixing mechanism and rotating mixing tub
- ✦ Mixing action via rotating tub
- ✦ Edge and bottom scraper prevents sediment collecting on the edges of the container
- ✦ Compact design and light weight allow high labor mobility
- ✦ For the bucket transportation a dolly is available as accessory
- ✦ Suitable for compact and plastic mortar, screed, plaster with aggregate and lean concrete
- ✦ The practical helper for mason, composition floor layer, garden designers and landscapers, renovators

Screed

Plaster

Drainage mortar

Universal mortar

Concrete

Synthetic resin screed

Material (weight without added water):	POX
Slightly moist concrete with grain size of -8 mm (30 l)	+
Concrete with max. grain size of 8 mm (30 l)	+
Cement screed (35 l)	+
Universal mortar (40 l)	+
Synthetic resin screed	+
Light wall mortar (25 l)	+
Cement stucco (40 l)	+
Gypsum plaster (40 l)	-
Loam plaster without fiber (40 l)	-
Heat-insulating plaster (30 l)	+
Mortar for natural stone slabs (30 l)	+
2-component slab pointing mortar (-1,2 mm, 30 l)	+
Middle-bed mortar (25 l)	-
Tile adhesives (flexible mortar, 25 l)	-
Pointing mortar (25 l)	-
Flowing screed (40 l)	-
Thin-bed mortar, cement for concrete precision blocks (30 l)	-
Creamy types of plaster (40 l)	-
Adhesive grouting compounds as backing for plaster (30 l)	-
Tile adhesives (25 l)	-
Pointing mortar (25 l)	-
Joint sealing compound (30 l)	-
2-component sealing grouting compounds (25 l)	-
Leveling compounds (25 l)	-
2-component epoxy-resin and sand mix (30 l)	-

Mixing tool POX-S

Accessory Trolley

MADE IN GERMANY

TECHNICAL DATA:

Mixing volume:	max. 40 litres	Item no. POX-S:	37.124
Size of mixing tub:	65 litres	Item no. mixing tool	70.190
Power rating of tube drive:	0,75 kW / 230 V	Accessory	
RPM of tube drive:	50 rpm	Item no. mixing tub 65 l:	60.403
Weight:	48 kg	Item no. trolley 65 l tube:	70.183
Dimensions:	60 x 82 x 77 cm
